NORDSTRØM INDUSTRIES

Nordstrom Industries is a leading manufacturer and supplier of high-quality wood fuel in Latvia. The company specializes in kiln-dried and air-dried firewood, focusing on premium wood types such as Oak, Ash, Birch, and Alder. With expertise in global shipping, Nordstrom Industries ensures that its products reach customers around the world efficiently and reliably.

NORDSTRØM INDUSTRIES

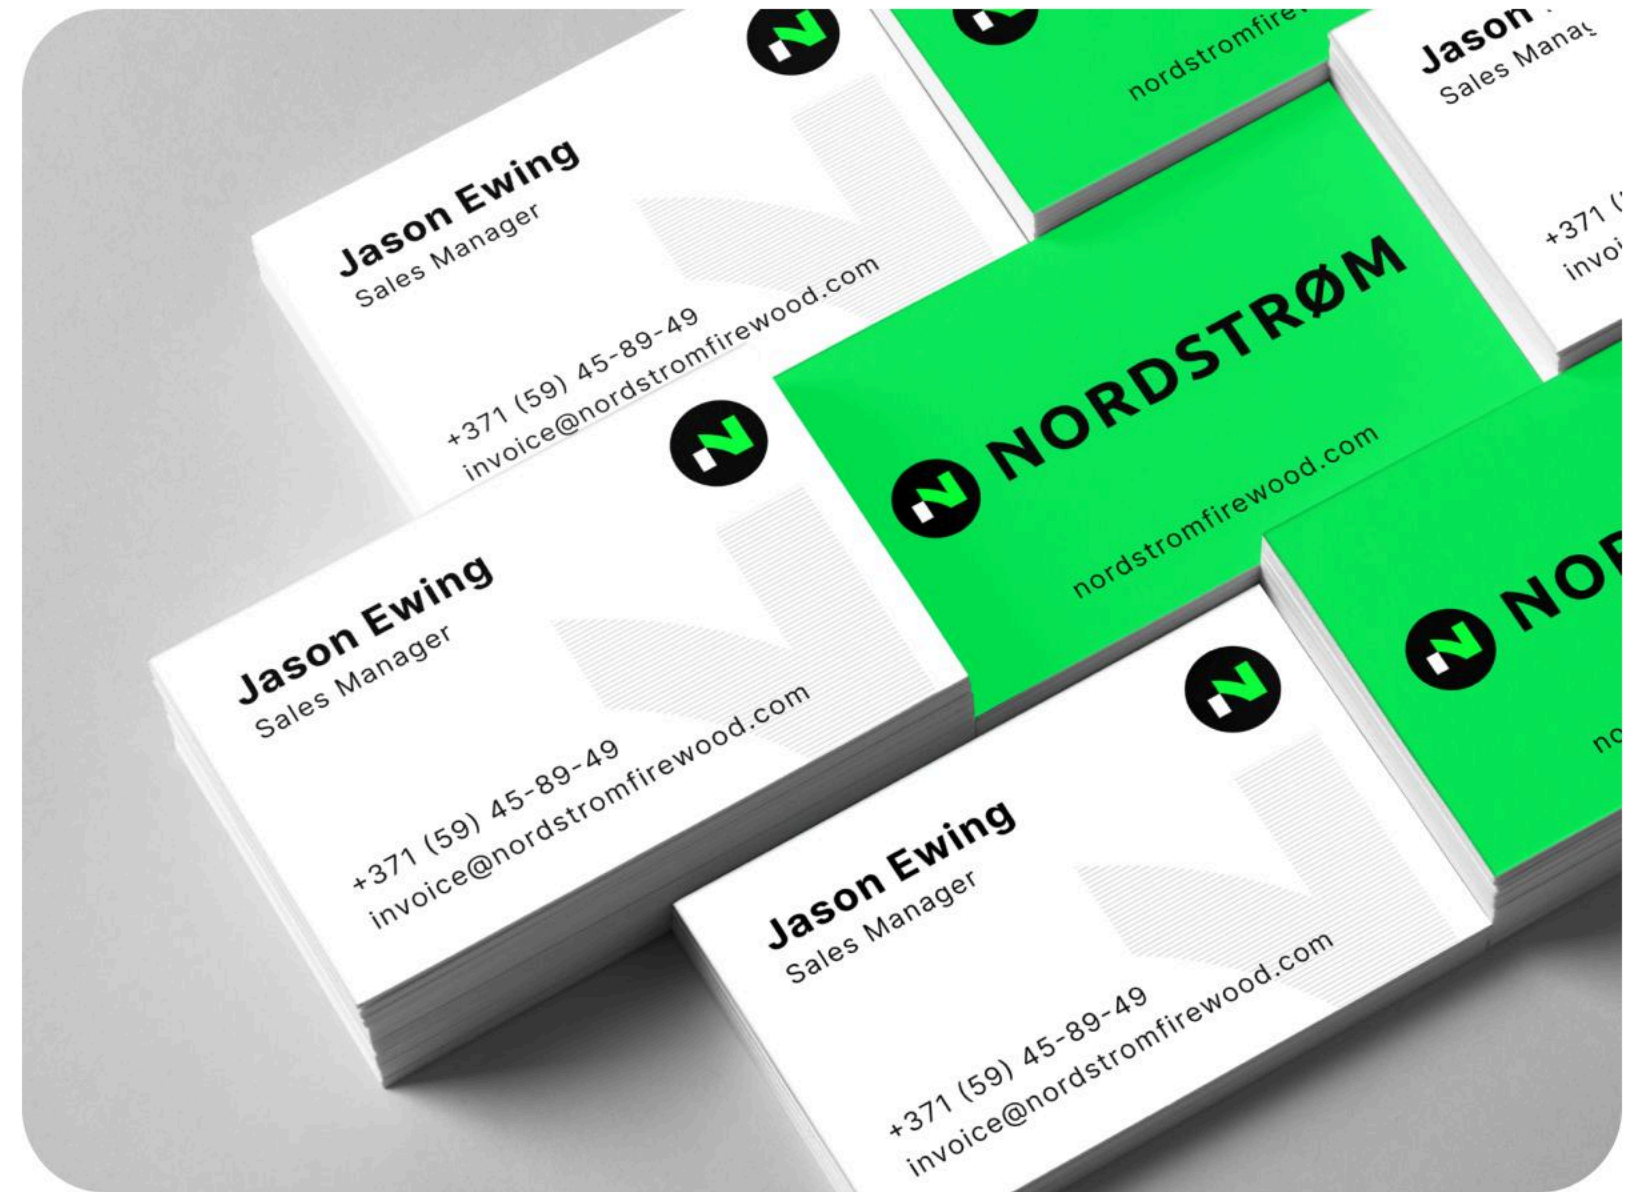

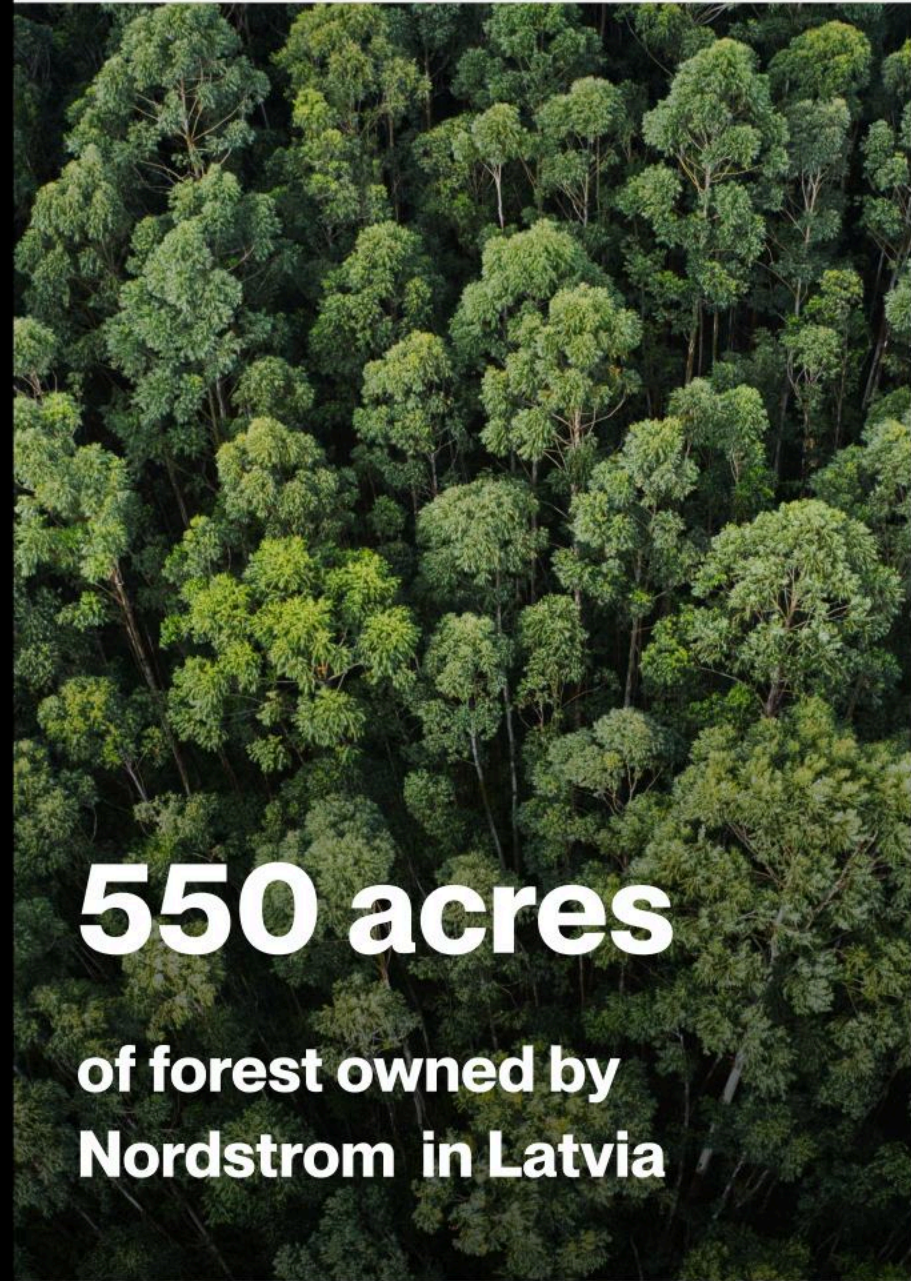

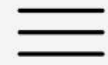

NORDSTRØM

RØM

A green background with white horizontal lines on the left side. A large white checkmark is positioned on the left side, overlapping the lines. The text "We offer high quality kiln or air dried firewood." is written in black on the right side. The Nordstrøm logo is in the bottom right corner.

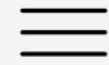

We offer high quality kiln or air dried firewood.

550 acres

**of forest owned by
Nordstrom in Latvia**

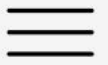

We started! In 1979 Gunnar Nordstrøm started selling solid fuels to private consumers.

2000 m3

**storage facilities for
quality wood products**

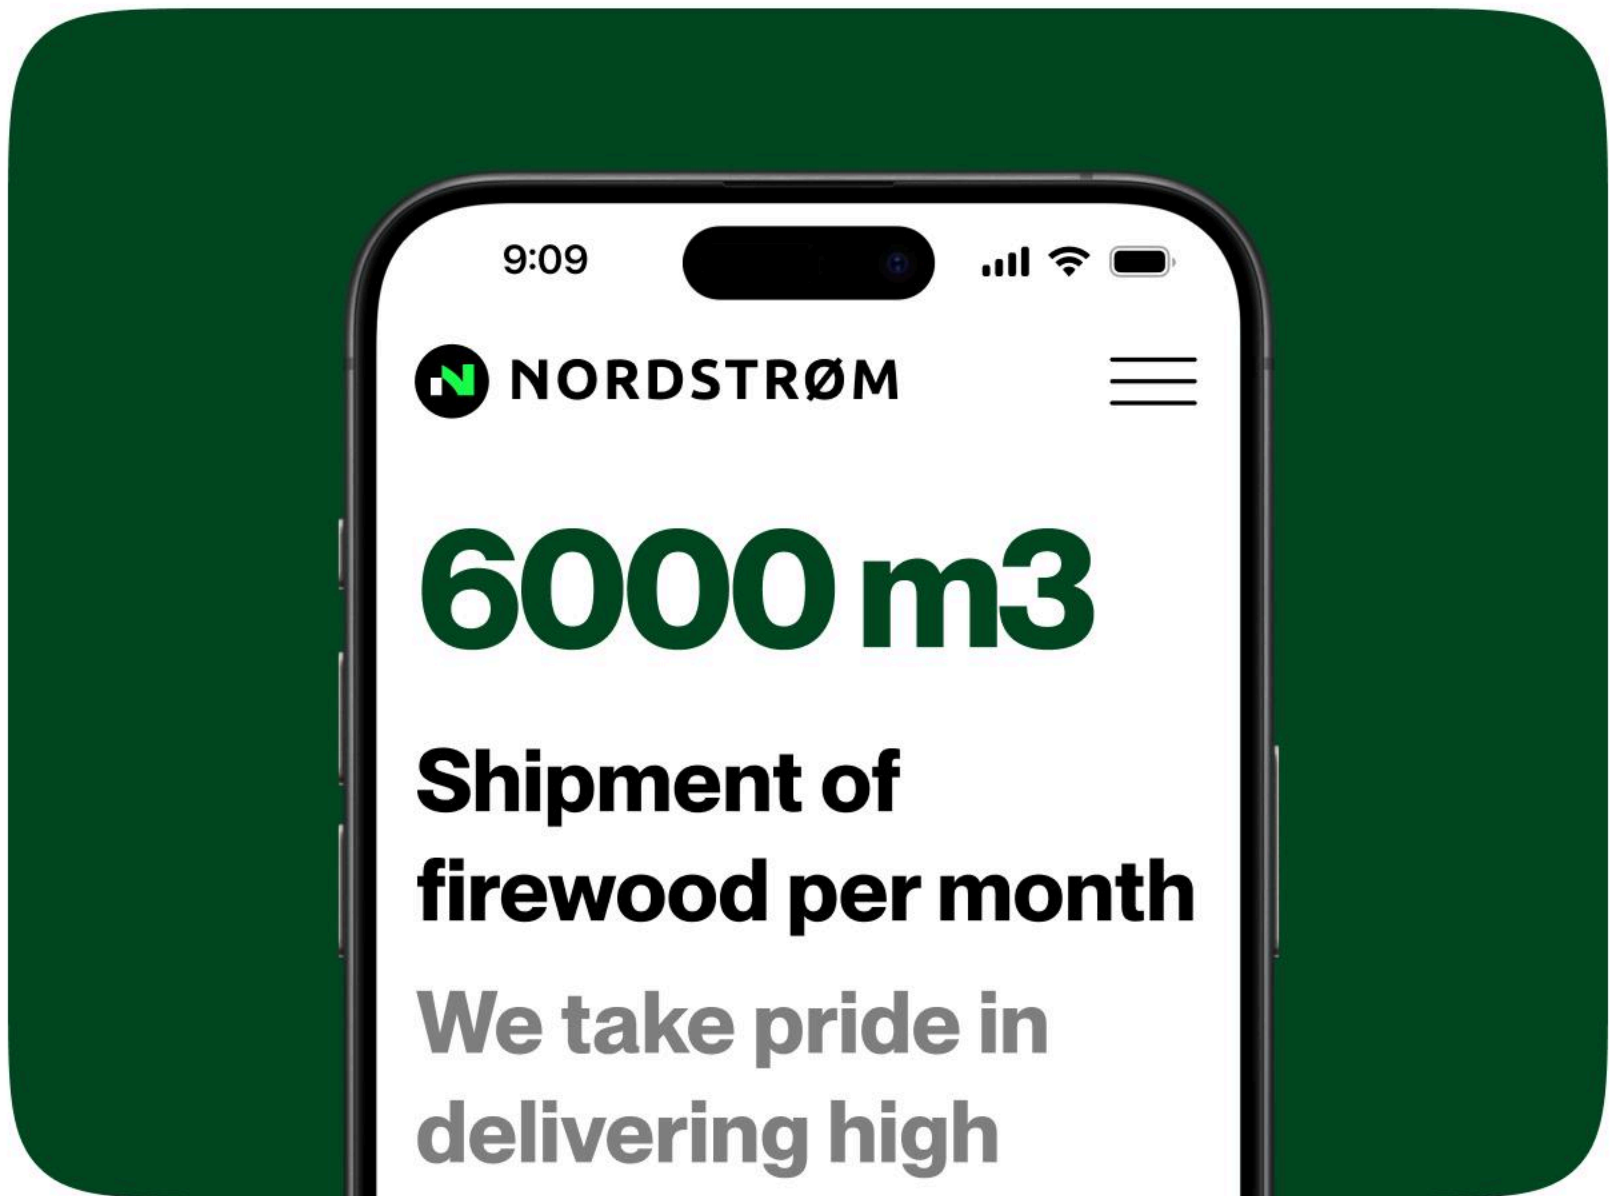

In 1992 **Gunnar Nordstrøm** came to Latvia for trading opportunities with wood.

28000 m3

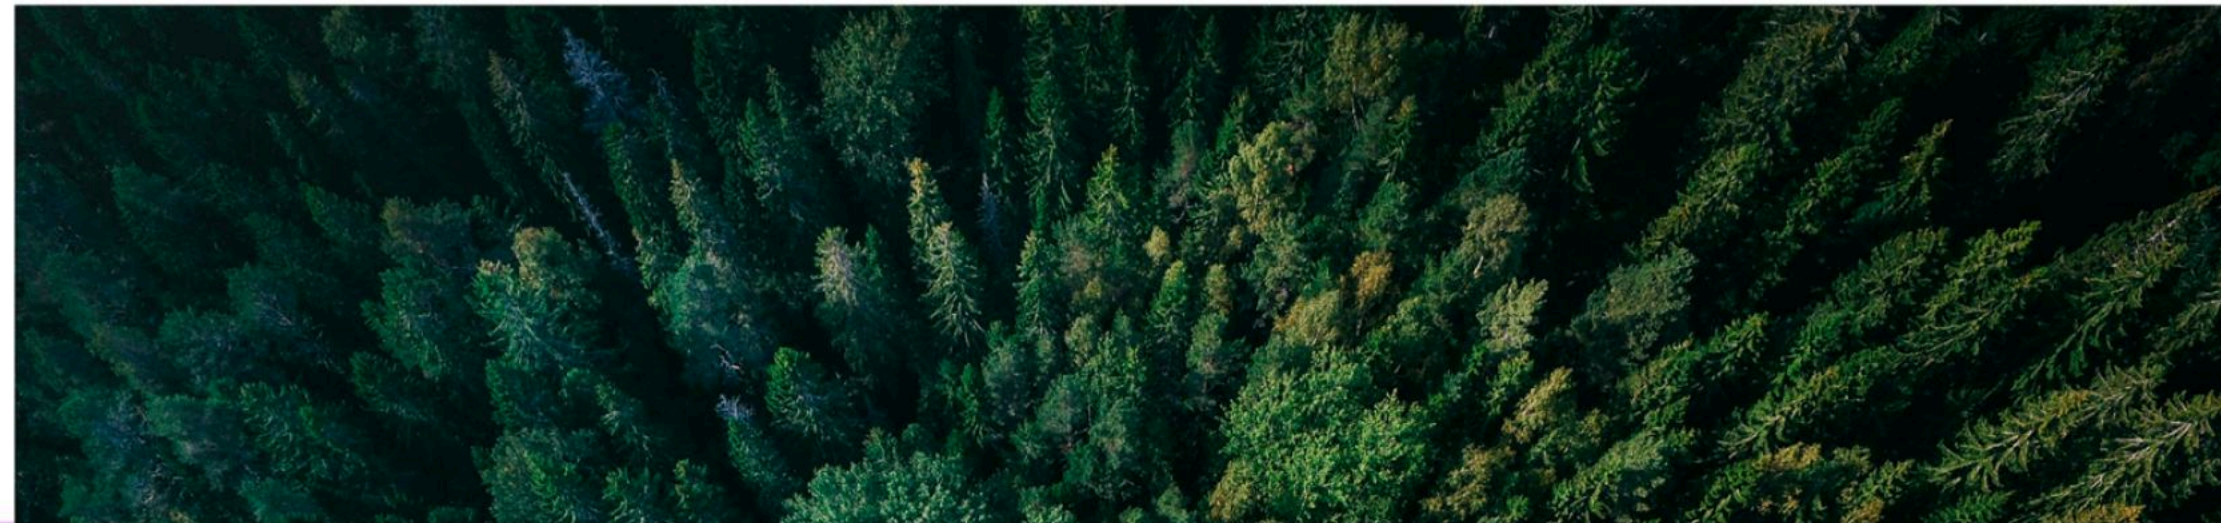

**we extract woods per
month in total**

We want to be **the best business partner** for you and build a trusted partnership together!

We are  one of the first to
mass export  firewood.
We offer high quality  products.

Global presence

Customers should have easy access to a wide range of payment methods. Credit card processing and other payment options can be combined to suit the needs of your business. This will help to prevent customers from leaving their shopping carts and will help to increase your conversion rates.

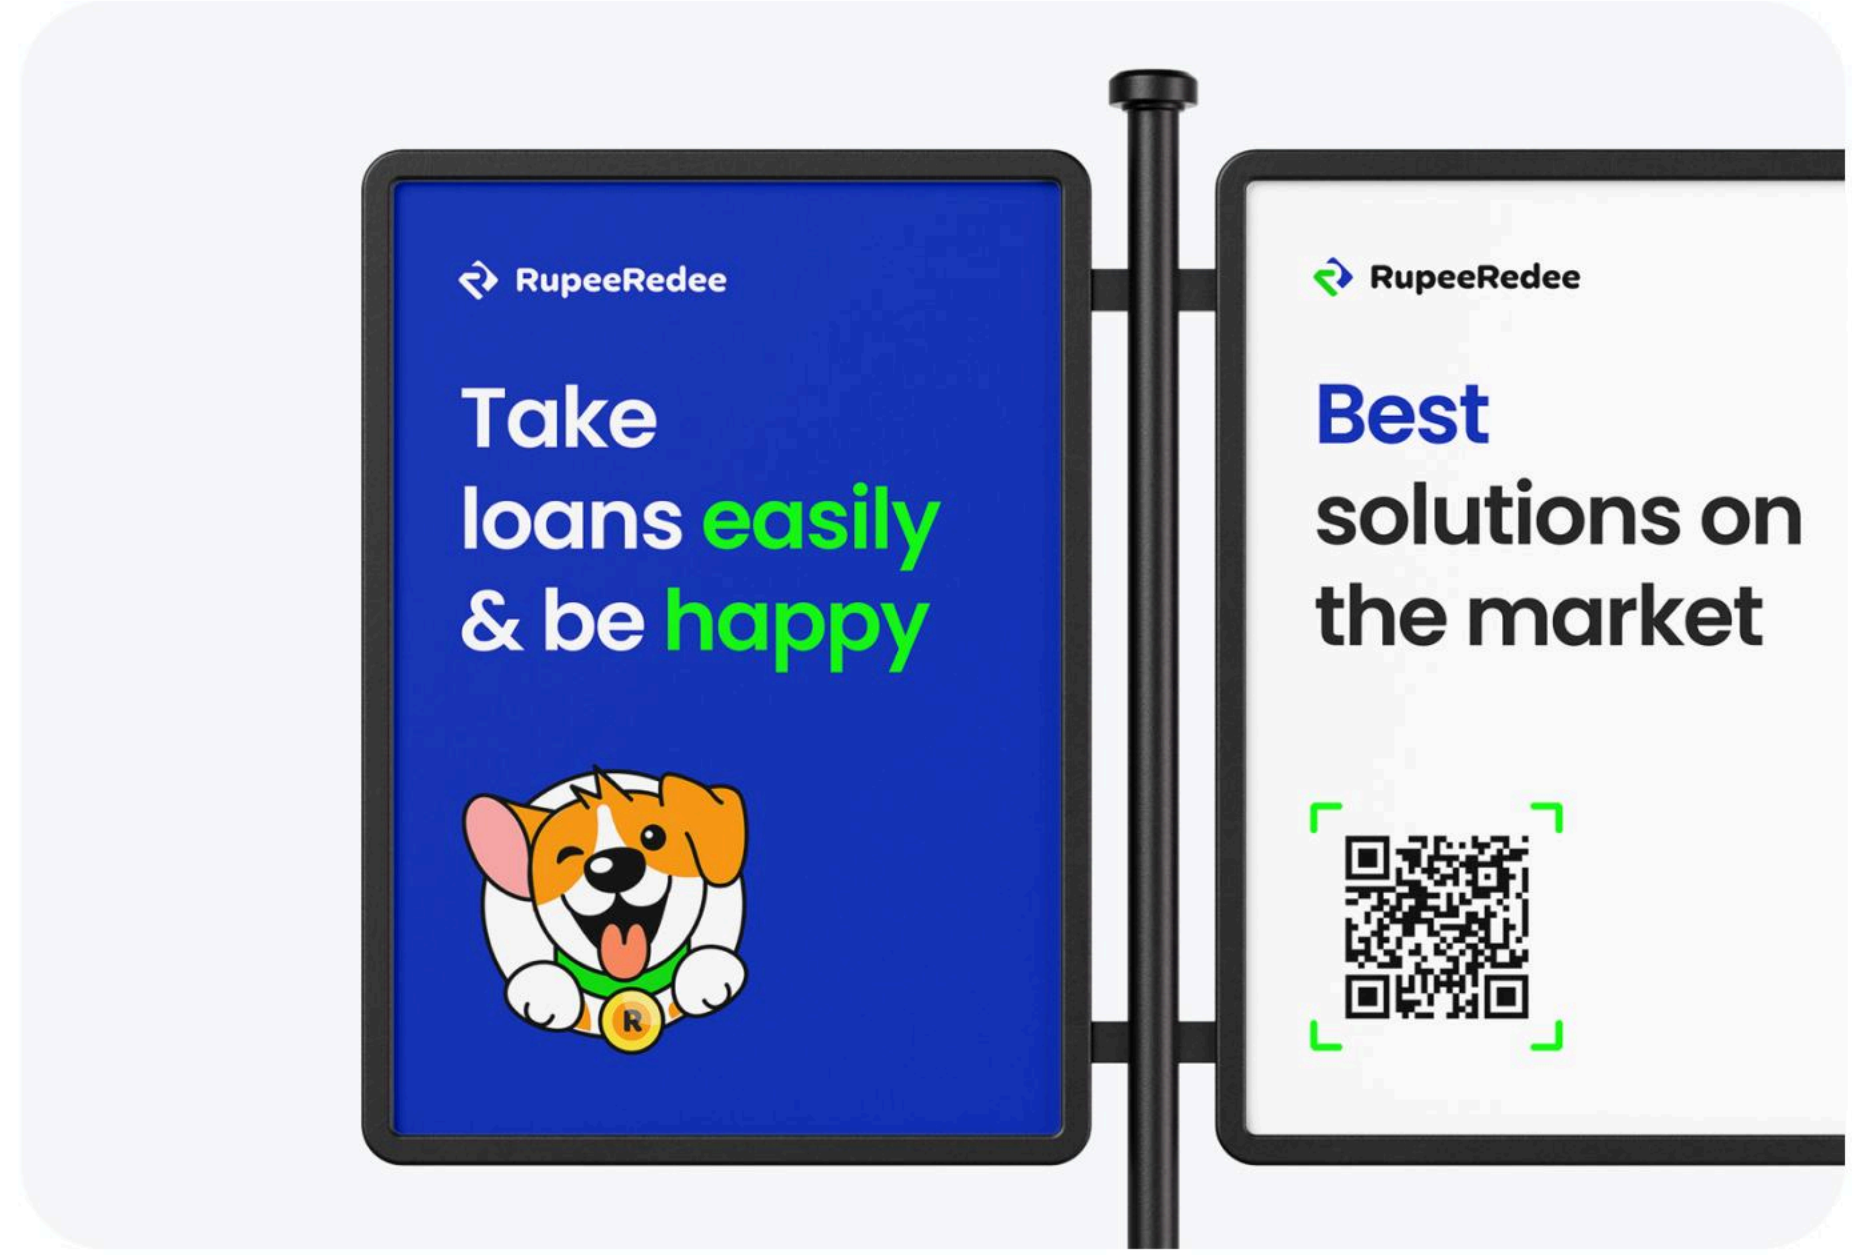

RupreeRedee is a digital financial services platform specializing in the provision of instant personal loans. The company offers short-term loans with a simple online application process, direct bank transfers, and minimal documentation required.
